Extra

MAJOR COMPUTER NERD
24/7, EVERYWHERE

- I spend most of my free time that I don't spend with family and friends on my computer.
- I mostly tinker with my personal programming projects because I hope to start a business of my own one day.
- I learn a new technology like a framework or programming languages.

Github Arctic Code Vault Contributor
JUN 2020, GITHUB

I've been ranked 15th among the top 100 active contributors on Github within Sri Lanka. In 2020 I was awarded the achievement "Github Arctic Code Vault Contributor" because of my multiple open-source projects on Github and my frequent contributions to other open-source projects.

Laracon Attendee
AUG 2020 & MAR 2021, ONLINE

I have been sponsored to every Laracon event from 2020, because of my involvement with the community.

Frequent Github Contributor
2016 - PRESENT, GITHUB

Because I spend a lot of time on my computer and working on projects, I have multiple packages and projects hosted on Github. Because I am an avid Github user, I have got the opportunity to contribute to many other open-source projects.
